

## PARENTS AND FRIENDS OF CRANDALL FFA

Parents and Friends of Crandall FFA is an organization that supports the Crandall FFA students with fundraisers throughout the year to purchase the student's animals at the Kaufman County Jr Livestock Show held in the first part of April of each year.

The students raise different types of animals, such as; steers, heifers, pigs, goats and other types of animals and show at different local and major shows throughout the year until the county show. For more information on showing or other activities that FFA has contact Mr. Billy Johnson or Mr. Patrick Hartley in the Agriculture Department.
