

Groovy Good Things

By: Trent Nelms

Gracy: Gracy got to spend the night with her friend Brooke. They played on the trampoline and on the rip stick and I think that's a pretty groovy good thing.

Cody: Cody went to Ellen Fairway to race go-carts and he won. Then they played putt-putt golf. That is a sweet groovy good thing.

Ruban: Last weekend he got to spend the night with a good friend of his. Over there he got to ride four-wheelers. It was totally a groovy weekend!

Sean: Last weekend Sean worked at a station at First Monday a. k. a. Canton, TX. And there he sold poker shirts, purses ,and hats and he went to a party. That's an awesome good thing.

Claire spent the night at her friend Payton's house and they went out tricking people.

Dylan went on a cruise last weekend. They had swimming pools, water slides and an all you could eat buffet. Also, a dance club for kids only. That is one rockin, good thing .
